By the decision of the General Assembly of the shareholders of 20.10.1947, [the share capital] was converted into 1.705.000.000 drachmas of earlier issue and was increased by 20% by virtue of the Legislation Decree 2021/1942 with the issue of 17050 shares and was set at 2.046.000.000 drachmas of earlier issue by the decision of General Assembly of the shareholders of 30.3.1950, namely at 2.046.000 drachmas of latest issue, which is divided into 102300 shares of 20 drachmas each.

To the implementation of Royal Decrees that were issued at times and to the implementation of the Legislation Decree of 10.5.1946 "about drawing up of Limited Companies' Balance Sheets", this capital was readjusted in the Company's Balance Sheets and wound up after these readjustments and after the decision of the General Assembly of the shareholders of 12.4.1957, to 8.401.899 drachmas, which was divided in 102300 shares of nominal value 8.213 each. This modification was published in the sheet of the Issue of Limited Companies of the Official Gazette with the number 298/24.6.1957.

Subsequently and to the implementation of the provisions of the Royal Decree of 28.3.1957 and upon the decision of the General Assembly of the shareholders of 19.7.1958, the share capital of the Company was set at 8.388.600 drachmas and was divided into 25575 shares of 328 drachmas each. The old 102300 shares were replaced by 25575 new shares (4 old by one new one) and this

modification was published in the sheet of the Issue of Limited Companies of the Official Gazette with the number 417/14.10.1958.

Subsequently, and to the implementation of the provisions of article 1 of the Compulsory Law 148/1967 and according to the decision of the General Assembly of the shareholders of 28.6.1968, the share capital of 8.388.600 drachmas, which is quoted above, was increased by 12.583.064 drachmas. This increase resulted from the surplus value of the Company's courts and real estate, as it was estimated by the competent committee of article 9 of the Law 2190/1920, as regards the amount of 12.892.092 drachmas, and from the capitalization of the Company's reserve funds, as regards the amount of 1.690.972 drachmas. Due to that increase by 12.583.064 drachmas, 38.363 new shares of nominal value 328 drachmas each were issued and distributed for free to the Company's older shareholders at a proportion of 3 new shares for 2 old ones. Therefore, after this increase, the total share capital came up to 20.971.664 drachmas, which has been paid in full and was divided into 63.938 shares of nominal value 328 drachmas each. The relevant modification of article 5 of the memorandum of association was published in the sheet of the Issue of Limited and Limited Liability Companies of the Official Gazette with the number 1003/30.9.1968.

Now to the implementation of the provisions of article 1 of the Compulsory Law 148/1967 and according to the decision of the General Assembly of the shareholders of April 30, 1971, the share capital of 20.971.664 drachmas is increased by 7.155.648 drachmas. Due to this increase of the share capital by 7.155.648 drachmas, 21816 new shares will be issued, which will have the same nominal value of 328 (three hundred and twenty-eight) drachmas each as the old shares that have been paid in full, at a proportion of 0,3412 new shares for 1 (one) old one, without the shareholders paying any amount. Therefore, the Company's share capital amounts now to the total amount of 28.127.312 (twenty eight million one hundred and twenty seven thousand three hundred and twelve) drachmas and is divided into 85754 (eighty five thousand seven hundred and fifty four) shares of nominal value 328 (three hundred and twenty eight) drachmas each and has been paid in full. It is specified that the shareholders will receive them at a proportion of 0,61758 new shares for 1 (one) old share without the shareholders paying any amount. Therefore, the share capital of the Company comes up now to the total amount of 45.498.192 (forty five million four hundred and ninety eight thousand one hundred and ninety two) drachmas and is divided into 138714 (one hundred and thirty eight thousand seven hundred and fourteen) shares of nominal value 328 (three hundred and twenty eight) drachmas each and has been paid up in full.

This increase results from the capitalization of the surplus value that accrued from the readjustment of the courts and buildings' value and to the implementation of the provisions that were quoted above and came up to the amount of 67.939.697 drachmas. The remaining amount of 52.079 drachmas will be paid from the shareholders' personal capitals until 31.12.1982.

This increase results from the capitalization of the Company's extraordinary surplus value that comes up to the amount of 2.776.168 (two million seven hundred and seventy six thousand one hundred and sixty eight) drachmas. The remaining amount of 7.729.672 (seven million seven hundred and twenty nine thousand six hundred and seventy two) drachmas will be paid from the shareholders' personal capitals.

Due to this increase of the share capital by 10.505.840 (ten million five hundred and five thousand eight hundred and forty) drachmas, 32.030 (thirty two thousand and thirty) registered shares will be issued and each thereof will have the same nominal value of 328 drachmas that also the old bearer shares had. It is specified that the shareholders will receive them at a proportion of one (1) new share for 11.2784889 (36125/32030) old shares after they have adduced the coupon of old shares with number 2.

Therefore, the share capital of the Company comes up now to the total amount of 128.995.840 (one hundred and twenty eight million nine hundred and ninety five thousand eight hundred and forty) drachmas and is divided into 361.250 (three hundred and sixty one thousand two hundred and fifty) bearer shares and into 32030 (thirty two thousand and thirty) registered shares.
