It should be noted, as regards to the sustainable development policy, as this is provided for in Article 14 (3) (c) of the Law 4706/2020 about corporate governance, and in accordance with Article 92 (2) of the same Law, this provision shall enter into force 12 months after the publication of the law at the Government's official newspaper. That provision provides for the existence of such a policy, as part of the listed company's operating regulation, 'where necessary'. It is noted that to date, given its operations and size, the Company has not yet considered it appropriate to adopt such a distinct policy.

However, the Company places great emphasis, both in its activity and in its products, on environmental and sustainability issues.
